[Scene: Timmy is working at his Lemonade Store. It's quite a busy day, and Timmy is working really hard.]

[The camera pans on Timmy's back, who is at a camera. It looks like he's juggling lemons while audience members look on in awe and horror]

Kid 1: Woah, you're crazy. There is absolutely no way that'll work.

Timmy: You just gotta believe. Trust me, I've done this a million times—

[There's an explosion and a bunch of lemonade squirts around them, covering them]

Timmy: And there!

[Camera pans on Timmy holding up a cup of lemonade. He hands it to the kid]

Timmy: Here's today's special. That'll be 50 tokens and one Ginomon card.

Kid 1: That price is outrageous!

Timmy: Well, I gotta pay my employees. Hey Steve

[Camera pans to a kid playing a handheld game console, sitting next to the in-store jukebox]

Steve: Yeah...?

Timmy: I need you to clean up this mess.

Steve: Yeah...?

Jukebox: And that was Eternity Forever with their latest hit single "Girl You Got Those Braces." And now for an exclusive interview with the one and only Quickdraw McGee.

Steve: Oh, it's just a commercial, I'll change it.

Timmy: No!

[Timmy hops over the counter and runs through the store like it's an obstacle course. He jumps over a wet floor sign like it's a track barrier and slides underneath a customer. By the wall, he picks up a broom and launches over a booth. Another kid gazes up at him in awe. Timmy lands on top of Steve and starts listening to the radio]

Steve: I wasn't gonna change it—!

[Timmy, still on top of Steve, looks him in the eye and sushes him]

Interviewer: This is Matthew Thomas reporting. Our guest today has been all over the world, having all kinds of crazy adventures. Most recently he has one the Olympic Gold medal for slingshot archery. The one and only Quickdraw McGee. How

are you doing today?

Quickdraw: Glad to be here Matt.

Matthew: Winning the gold medal must have been an outstanding experience for you.

Quickdraw: (Laughs) Well, it's not exactly a new one.

Matthew: I know what you mean. Last time you took a cruise to the Cribabean to celebrate. What are you planning on doing this year?

[Camera pans on Timmy as he gets more and more excited as this next line is spoken]

Quickdraw: I actually plan on returning to my old hometown, Summerway. It's been awhile since I've been there and I'd like to see how it changes. In fact, I'd like to have a little competition. One lucky kid will have the chance to hang out with me for an entire day—

[Timmy bolts out of the restraurant, knocking the first customer's drink everywhere]

Kid 1: Hey!

[Timmy skids to a halt and looks at him]

Timmy: Sorry sir, it's on the house.

Steve: Actually boss, I think it's on him.

[Timmy droops, unimpressed]

Timmy: I don't pay you to make jokes. Now clean this up.

[Timmy gets in the car and starts driving, full of determination. Timmy sees an area with road work up ahead. Instead of hitting the breaks, he turns onto some boards and uses them as a makeshift ramp to fly over it. He skids over a sharp turn, and then a second one. Turns off road and goes a few seconds through the forest before popping back up on the street. He makes one final turn and stops safely in his drive way]

[Timmy sits there for a second]

Timmy: Wait a minute.

[Cut back to the Lemonade store. Timmy walks in all slumpy]

Timmy: What do I have to do in order to win the chance to hang out with Quickdraw McGee?

Quickdraw: And all they have to do is make a video showing why they're awesome enough to hang out with me.

Timmy: Okay, thanks.

[Timmy walks out of the store. Sounds of a car driving crazily are heard].

[Scene: the Dunn Family's backyard. Timmy is standing out there, while Robert is

following him with a camera]

Robert: So, what are we doing out here?

Timmy: You're gonna film me showing off how awesome I am.

Robert: Alright then, rolling.

[Timmy stands there for a few seconds]

Robert: Um... rolling. That means that the camera is filming.

Timmy: Oh! [Cocky] So, Quickdraw McGee. My name is Timmy Dunn and I'm here to show you why I'm awesome enough to hang out with you!

[He stands there for a couple of seconds]

Robert: Now you have to do something!

Timmy: Right!

[Timmy scans the area and sees the background playground set. He sees the swing and runs at it. He jumps onto it, but ends up tripping over it. The swing and Timmy fly in different directions and Timmy lands in some mud under the swing.]

[Timmy gets up, turns around and begins cleaning himself off]

Timmy: Well, that failed.

[The swing went goes around and hits Timmy in the back, tossing him back into the mud. Timmy sits up and spits out some of the mud.]

Robert: You okay...

Timmy: Yeah, didn't hurt anything 'cept my coolness. We're gonna have to try again sometime later. [Turns to the swing] When someone learns to get their part right.

[Scene: Timmy and Robert are sitting in the kitchen. They both seemed tapped out of ideas. Timmy is scraped and bruised. Sally walks in.]

Timmy: Come on Robbie, you gotta help me think of something to put into that video!

Sally: [Stops in her tracks] Wait. That video wasn't done yet?

Timmy: Uh... no. It's just filled with me falling on my face, getting chased by bees, and ending up in a chicken suit.

[Sally looks at Robbert]

Robert: I don't even know how that happened.

Sally: [Guiltily] I... thought it was finished... so I... kinda... mailed it in already.

Timmy: YOU DID WHAT!? Quickdraw's going to think that I'm a total dweeb! Thanks a lot Sally. Do you realize what you did to me!?

Sally: [Looking down] Uh-huh.

[Linda enters the room]

Linda: Um... speaking of that, Quickdraw's on the news right now.

Timmy: I... don't even want to watch. Come on guys, let's go check it out.

[They're all sitting on the living room sofa]

News reporter: So, what made you call the competition off early.

Quickdraw: I saw the greatest video ever. We could keep this contest going on forever and no one's gonna top it. The winner of my little contest is one kid by the name Timmy Dunn. I just gotta hang out with this kid.

[Cut back to Timmy and everyone staring at him]

Timmy: [star-struck] Quickdraw... thinks... I'm cool!?

[Timmy starts jumping on the couch excitedly throwing pillows everywhere]

Subtitle: A few days later.

[Sally notices a large limo outside of their house. It's obviously Quickdraw's limosine.]

Sally: Hey Timmy, Quickdraw's—

[A cloud of dust runs by Sally, leaving her behind coughing]

Sally: —here

[Scene: outside. There are couple of kids with suits and dark sunglasses standing in front of the limo. The cloud of dust stops outside with Timmy stopping on a dime].

[One of the suited kids opens up the door to find Quickdraw. He's dressed in a cowboy costume and has a slingshot hanging out of his back pocket. He's also wearing sunglasses. It's a tense scene as he gets out of his seat and into the light.]

Quickdraw: Hey, hey, hey! It's my man, Timmy! How is it going?

Timmy: [Star-struck] You're... Quickdraw.

Quickdraw: The one and only. Live and in the flesh.

Timmy: [Star-struck] You're... Quickdraw.

Quickdraw: I see my awesomeness as stunned you. I'll give you a minute or two.

Suited kid 1: Sir, I don't think that "awesomeness" is a word.

Quickdraw: Is it something I said?

Suited kid 1: Yes it is, sir.

Quickdraw: Then it's a word. Call up the dictionary and have them put it in.

Suited kid 1: On it, sir.

[Sally comes up in an attempt to help Timmy from embarrassing himself]

Sally: Hey, it looks like you two are ready to have a fun day in town.

Quickdraw: Hey there, little girl. I'm not giving out autographs right now. On second thought.

[Quickdraw pulls a pen out of his jacket and starts writing on Sally's sweater]

Sally: [Offended] Hey, I was planning on coloring this sweater later and you ruined it! Go, go, go, go [She pushes them into the limo]

Sally: [To herself] And don't come back until late.

[Scene: a large living-room like area in the back of the limo. Timmy and Quickdraw are the only one back there]

Timmy: So... did you really like my video.

Quickdraw: [Laughs like crazy] I'll say man. That was the funniest thing that I've ever seen.

Timmy: Wait... what?

Quickdraw: Falling all over yourself, ending up in the mud, that stuff's gold, man.

Timmy: So... you don't think I'm cool?

Quickdraw: When you've got as much cool as I do, it's kinda hard to tell how much everyone else has.

Timmy: Okay then...

Quickdraw: But even from way up here, I can see that you're as cool as the sun.

Timmy: Th-that's a good thing, right?

Quickdraw: I'll tell you after you make me laugh.

Timmy: But I didn't do any of that stuff on purpose...

Quickdraw: That's even better! Funniest dweeb I've ever met.

Timmy: You... think... I'm...?

Quickdraw: Let's get something to eat, buddy.

[Scene: they're at Lucky Cheeses, the most prestigious restraurant in town. It's a

Chuck-E-Cheese expy. A pizza place, an arcade, and a playground]

Waiter: Hello there, do you two have a reservation.

Quickdraw: I don't need a reservation.

Timmy: But there's no seats available.

Quickdraw: [Points to a random table] Then I'll take that one—

Timmy: But there are kids sitting there already.

Quickdraw: Not anymore, Josh, Tosh, remove them.

[Timmy gazes in horror as he sees the bodyguard guys forcefully remove some kids from the restraint]

Timmy: [Horrified] You're a meanie.

Quickdraw: [Laughs] See! You can make me laugh on purpose. Meanie, that's a good one boy.

Timmy: Bye-bye [Starts walking out of the restraint]

Quickdraw: W-what are you doing?

Timmy: Going home. I thought you were cool.

Quickdraw: I—I'm cool!

Timmy: No, you're not.

Quickdraw: [Nervously chuckles] Don't do this to me boy—

Timmy: [Turns around to him] Sorry...

Quickdraw: [Relieved] There we go, you see—

Timmy: Sorry I ever looked up to you. [Pulls a picture of Quickdraw out of his pocket and tears it in half]

[Timmy leaves the restraint without another word]

Josh: Shall we give him the old rough and tumble?

Quickdraw: [Nervous] N—nah. It's pain enough knowing you lost your chance to hang out with Quickdraw McGee.

[Scene, Timmy is skipping stones on the river bank, watching boats go up and down the river. Quickdraw comes up]

Timmy: [Disgusted] Oh... it's you. Gonna have your goons throw me in the river?

Quickdraw: No, I told them to get the old limo washed. I want to say sorry

Timmy: [Looks at Quickdraw] You're saying sorry to the wrong person. Go say it to those kids you through out of Lucky Cheeses.

Quickdraw: Why them?

Timmy: Because they weren't big enough dummies to think you were cool.

Quickdraw: What do you mean?

Timmy: I thought you were the super awesome slingshotting legend.

Quickdraw: I still am! [Pulls slingshot out of his back pocket] I can knock that kid's hat off of his boat and into the water.

[Timmy grabs the slingshot and breaks it in half. Quickdraw is stunned by this]

Timmy: Now you can't. The Quickdraw I knew always cared about kids. He brought home those medals for his fans. He was the kind of guy you wanted to hang out with.

Quickdraw: That... Quickdraw... never existed.

Timmy: [With a tear in his eye] I know that now.

Quickdraw: B—but he can.

Timmy: What do you mean?

Quickdraw: That Quickdraw you talked about. He sounds like a guy... I want to be.

Timmy: Then prove it.

[They walk to the street and the limo is there. Josh and Tosh open the truck, and open a vault in the back. Inside is a slingshot.]

Timmy: What's this.

Quickdraw: This was the slingshot I used when I won my first gold medal. Look, it was signed by my hero Dave Slugman. I want you to keep it until I prove that I can become that Quickdraw you talked about.

[Hands the slingshot to Timmy. Timmy hold it in your hand]

Quickshot: I want you to keep it until I prove I can be that Quickdraw I always should have been.

Timmy: And if you can't?

Quickshot: Then break it. I don't deserve it.

[Timmy spits on his hand and holds it out. Quickdraw does the same and they shake]

Timmy: Good luck.
